EMPLOYEE SCHEDULING

Create & view staff schedules online

Bizimply will forever change how you schedule your team.

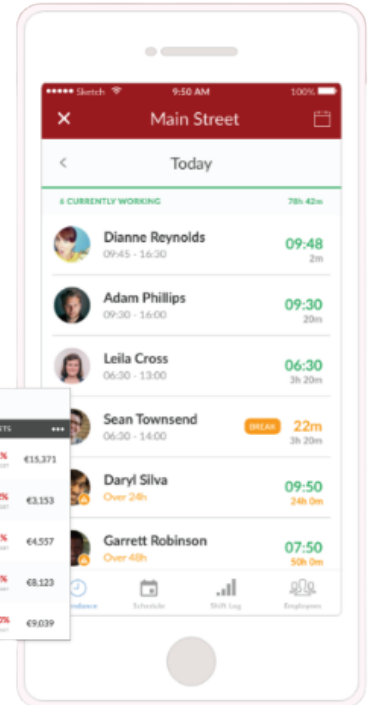

- ✓ Build and cost your schedules in minutes by dragging and dropping your shifts on to the schedule.
- ✓ Copy a previous weeks schedule, or use a template.
- ✓ Create multiple schedules for your business.
- ✓ Ensure all your employees receive their contracted hours. Colour code your shifts by position.

BIZIMPLY MANAGERS APP

Your business in your pocket

Ridiculously easy to use. Unbelievably fast to set up.

- ✓ Always know your team are doing.
- ✓ Get sales figures to see if you are on target after every shift.
- ✓ Contact employees with a complete employee directory.

“We have invested in leading-edge technologies that have helped us to expand rapidly... Bizimply is an important part of the technology mix.”

TIME AND ATTENDANCE

Track hours worked with Bizimply's Timestation

Looking to better control labour costs? Bizimply records clock-in times by the minute, ensuring accurate payroll-ready timecards.

- ✓ We have multiple online reports to track attendance and calculate pay.
- ✓ Prevent buddy punching with photos.
- ✓ Manage both paid and unpaid breaks.
- ✓ Losing your wifi connection? No problem, that's why the Bizimply Timestation can work offline too.

PAYROLL PREPARATION

Prepare time cards in minutes, not hours

The easiest way to prepare your retail staff payroll.

- ✓ Compare actual times worked against scheduled times before approval.
- ✓ Deduct unpaid breaks from time cards to keep your payroll exports accurate.
- ✓ Save money by only paying for actual hours worked and not what's scheduled.
- ✓ Save time by exporting your time cards straight to your payroll provider.

How would you like to color code your shifts? By Position By Popular Shifts
